Nestled snugly in the heart of the sought-after Swanbourne Village Precinct, this is a rare opportunity to live in a vibrant and connected community a short stroll from the Train Station and just metres from an abundance of cafes, casual dining, wine bar, IGA and more.

The solid brick & colorbond home is constructed over one level and comes complete with multiple living zones, street front garaging plus bonus secondary huge double garaging off the southern side right of way. Plenty of options for consideration here - additional carparking, boats, trailers, campers, workshop, studio...

But the location is the real hero here - outdoor exercise enthusiasts will love the proximity to the picturesque Scotch
