

## 1/65 Palmerston Street NORTHBRIDGE WA

3 2 1

Part of the Heritage Maltings Conversion, this complex is a great combination of history and lifestyle!

No. 1 is on the ground floor but feels more like a "house" with high ceilings giving it a great air of space.

The owners have just finished a fantastic renovation on the kitchen, not expecting to be transferred for work! They have lived here happily for more than 4 years with their two children who have enjoyed the smaller garden area between the houses and away from the main complex, even having an Easter Egg Hunt with the neighbours!

Equally good for singles or couples working in the City -
