

Lockridge

4  2  4 

Welcome to Lockridge, freshly painted, maintained and prepared throughout, the layout of the home is perfect for modern day living,

This great home offers generous ceiling height throughout, ducted evaporative air conditioning and all other modern conveniences, including, new reticulation system, solar gain hot water system as well as an instantaneous gas hot water system and approximately 12 solar panels with a 3kw inverter, all make this a very comfortable and up-to-the-minute home.

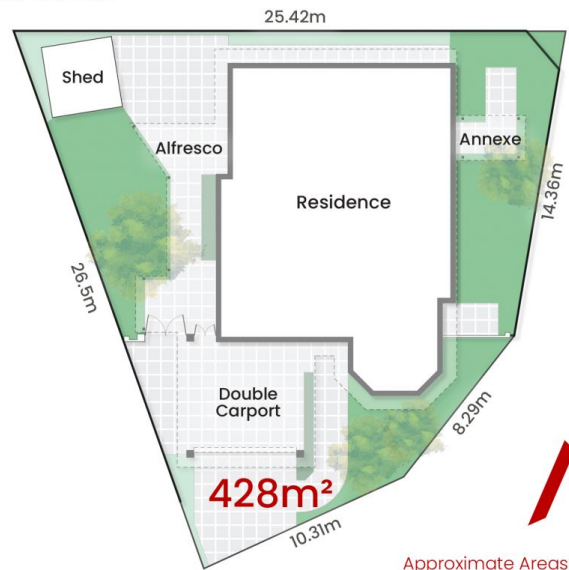

With four (4) dedicated bedrooms and, if required, the potential for a fifth (5th) bedroom by using the home theatre room, and two bathrooms including a terrific ensuite.
